Is it narrow, unfair, and ridiculous to believe that Jesus is the only way to God? Admittedly, on the surface, “exclusivism,” (that Jesus is the exclusive way to God), *does* seem unrealistic. After all, if I were to say that the only way to get to New York was *my* way, that would be not only untrue but also inane. However, let’s change the analogy to an elementary math teacher who says: “ $2 \times 2 = 4$ , and 4 is the only right answer.” Case in point: Sometimes only one answer is right. The goal of this brief pamphlet is to demonstrate that “Yes” is the only right answer to the sine qua non question: “Is Jesus the only way to God?”
